Cable Spool *FRCMSPOOL Series*

For use on FRCM44U Series of Cable Managers

Features

- Cable spools attach quickly without the need for tools and mounts at the rear of the manager.
- Spool provides a 1.25” bend radius provides proper cable support and bend-radius for more efficient data transmission.
- Supports slack cables and facilitates storage and routing of the cable.
- Spool constructed of heavy-duty extruded black anodized aluminum. End cap constructed of 16-gauge steel.
- Mounts to **FRCM** and **VFM** vertical cabling managers as well as the **HWF** rear pan.
- Two (2) units are included in the package.
- The end caps are finished in textured RAL9005 black powder paint finish.
- TAA-compliant for federal GSA schedule purchases within the USA.
- RoHS Compliant.
- Manufactured in North America.
