Catalog No. K1412

Klein-Kurve® Dual NM Cable Stripper/Cutter

The Klein-Kurve Dual NM Cable Stripper/Cutter allows you to cleanly remove the outer jacket of 12/2 and 14/2 Type NM-B non-metallic sheathed cable. Stripping holes easily remove the insulation on 12 and 14 AWG solid wire. Precision shear-type blades provide square clean cuts on solid copper wire. Curved handles with double-dipped grips makes this stripper/cutter comfortable to use every day.
