# isolation

IN A HEARTBEAT

Quickly convert to an Isolation Station by clipping on a Sign Holder.

MP-047 Sign Holders sold separately; free isolation signs are available at [BowmanDispensers.com](http://BowmanDispensers.com)

See our bundles on pages 12 & 13

Bundle includes Protection System & Sign Holder

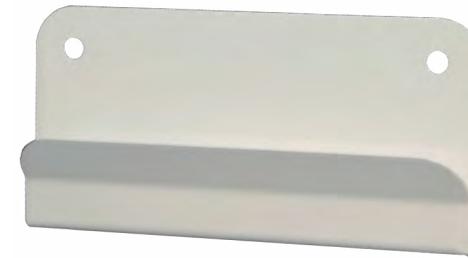

# wall

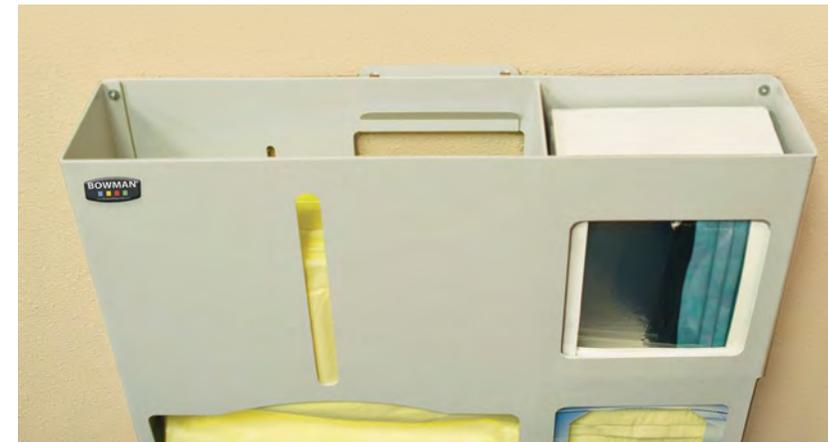

MOUNT OPTIONS

## Wall Mount Hanger

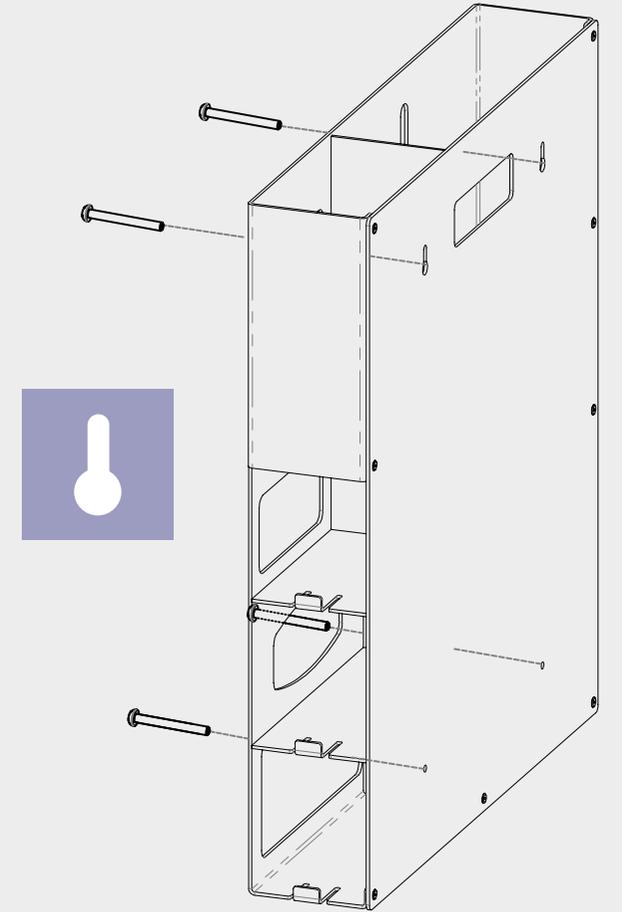

- Makes isolation easy by permanently mounting a wall hanger outside of each patient room
- When isolation is needed, just hang the Protection System onto the small metal bracket and the room is ready

**MB-510** CRS  
Hanger - Wall

## Direct-to-Wall with Keyholes

- Permanently mount Protection Systems using keyholes on back, with customer supplied hardware
- Increases compliance by ensuring PPE is consistently available to staff outside of each patient room
