

Belt Guard

Belt guard assemblies consist of a guard kit and a mounting bracket kit as shown in the tables. Mounting bracket kit must be purchased separately. These belt guards may also be used with screw conveyor drives.

Belt guard standard color is yellow. Brackets supplied can accommodate fan kits when required.

Plated fasteners providing protection in outdoor applications are supplied with the guard assembly.

Belt guards have a hinged, removable cover.

Belt guards may be assembled with the belt drive already installed.
