- Wrench produces audible click when selected torque is reached.

## Application

Torque

## Specifications

|                                    |                                                                                             |
|------------------------------------|---------------------------------------------------------------------------------------------|
| Standards - Industry Standards Met | <ul style="list-style-type: none"><li>• ASME B107.14M-2004</li><li>• ISO 6789</li></ul>     |
| Standards - RoHS Compliance Status | EX                                                                                          |
| Industry Standard(s)               | <ul style="list-style-type: none"><li>• ASME B107.14-2004</li><li>• ISO 6789:2003</li></ul> |

## Dimensions

|                |           |
|----------------|-----------|
| Package Length | 0.000 in  |
| Package Width  | 0.000 in  |
| Package Weight | 0.000 lb. |
| Package Height | 0.000 in  |
| Length         | 16 in     |

|            |                         |
|------------|-------------------------|
| Width      | 1.3 in                  |
| Weight     | 2.50 lb.                |
| Height     | 1.4 in                  |
| Dimensions | 16 in x 1.3 in x 1.4 in |

## Force Related

|                     |             |
|---------------------|-------------|
| Installation Torque | 15-75 in-lb |
| Recommended in-lb   |             |
| Torque Range        | 15-75 ft-lb |

## General

|                          |                                                                                              |
|--------------------------|----------------------------------------------------------------------------------------------|
| Application - For Use On | Use with any mechanical connection with torque values within range of specific torque wrench |
| Type                     | Torque Wrench                                                                                |
| UPC 12 Digit             | 781810568323                                                                                 |
| UPC 14 Digit GTIN        | 00781810568323                                                                               |
| UPC                      | 781810568323                                                                                 |

## Logistics

|                       |                                       |
|-----------------------|---------------------------------------|
| Package Contents      | Torque Wrench, 1/2 Drive, 15-75 FT LB |
| Minimum Pack Quantity | 1                                     |
