

EXTREME 33, All-Weather Insulating Tape, 3/4"x66'

By Burndy
Catalog # EXTREME 33

EXTREME 33 PVC Tape is a premium-grade, all-weather insulating solution designed to tackle the toughest conditions.

Features

- Broad Temperature Range - performs consistently in temperatures ranging from 10°C to 105°C
- All-Weather Suitability - engineered to withstand low temperatures and varying weather conditions without compromising its integrity
- High Resistance Levels - offers excellent resistance to abrasion, moisture, alkalis, acids, and corrosion, enhancing durability and lifespan
- Moisture-Tight Protection - provides a moisture-tight seal that ensures electrical and mechanical protection, suitable to 600 Volts
- Quality - meets stringent safety and quality standards (ASTM D 1000, ASTM4325, RoHS Compliant)
- Versatile Application - conformable and easy to apply, this tape adheres well to irregular surfaces, making it versatile for various insulation needs

Specifications

- Certified Listed
- ASTM D-1000
 - ASTM4325
 - RoHS Compliant

Dimensions

Weight	4.0 oz
Height	0.05 in
Width	0.75 in
Length	66 ft
Dimensions	66 ft x 0.75 in x 0.05 in

General

Color	Black
UPC	621945720725

Logistics

Carton Quantity	160
