

HYSTRENGTH 7, All-Weather Performance Tape, 3/4"x66'

By Burndy
Catalog # [HYSTRENGTH 7](#)

HYSTRENGTH 7 is a robust, heavy-duty insulating tape crafted for superior performance in all weather conditions.

Features

- All-Weather Performance - operates effectively in ambient temperatures up to 105°C (220°F) and remains conformable in cold weather down to -18°C (0°F)
- Superior Resistance - offers excellent resistance to abrasion, moisture, alkalis, acids, corrosion, and various weather conditions, including UV exposure
- Moisture-Tight Protection - aggressive adhesive and elastic backing ensure a moisture-tight seal, providing both electrical and mechanical protection
- Cold Weather Pliability - maintains flexibility and adhesion even in extremely cold temperatures, ensuring reliable application and performance
- Flame Retardant - enhances safety by resisting ignition and slowing the spread of flames (VO Rating)
- Puncture and Tensile Strength - high resistance to puncture and tensile strength mean it can withstand physical stress, proving a durable and secure application
- Excellent Conformability - good elongation properties allow HYSTRENGTH to conform seamlessly to irregular and

complex surfaces
