

INSULJACKET 30, Premier Liner-Less EPR Insulating Tape, 3/4"x30'

By Burndy
Catalog # [INSULJACKET 30](#)

INSULJACKET 30 is a premium liner-less ethylene propylene rubber (EPR) insulating tape designed for superior performance in electrical insulation.

Features

- Excellent Thermal Dissipation - effectively dissipates splice heat, enhancing the longevity and safety of electrical connections
- Superior Electrical and Physical Properties - provides robust electrical insulation and physical strength, ensuring reliable performance
- Immediate Moisture Seal - offers an instant moisture barrier, protecting against water ingress and corrosion
- Void-Free Buildup - conforms closely to surfaces, eliminating air gaps and ensuring a secure uniform insulation layer
- High Temperature Rating - operates reliably for elongation for temperatures up to 90°C, with a tolerance of 130°C during short-term overloads
- Weather Resistance - maintains performance and durability in various environmental conditions, making it suitable for outdoor applications
- Wide Temperature Range - versatile across a broad spectrum of temperatures, ensuring adaptability to different climates

and operational demands

Specifications

- Certified Listed
- ASTM D-4388
 - ASTM D-4325

Dimensions

Weight	4.0 oz
Height	0.05 in
Width	0.75 in
Length	30 ft
Dimensions	30 ft x 0.75 in x 0.05 in

General

Color	Black
UPC	621945720862

Logistics

Carton Quantity	100
