

# Drop Cable Accessories

**CC Cable Cutters** cut through the steel center conductor on all drop cables.

- **High-carbon forged-steel blades** hold their sharp edge, while electronic coating prevents rust.
- **Textured handles** provide a comfortable, firm grip.

**Torque Wrenches** prevent damage to equipment from over tightening or signal loss due to loose connectors.

- **Factory tested and guaranteed** to provide consistent torque over the life of the tool.
- **Color coded rings** for easy identification of different torque (inch pound) settings.
- **Knurled tool body** provides a gripping surface to ensure a firm hold during use.

**Carpet Cutter and Drill Guide** cuts easily through carpet and pad for drop installations.

- **Serrated blade edge** cuts with one-handed twisting motion.
- **Drill guide** eliminates "snow-ball" effect.
- **Pass-through design** accommodates up to a  $\frac{7}{16}$ " drill.
- **7/16" by 8" drill bit** is available.
