

## RPFH1315B Rpl MERV8+Carbon Ftr

Pre-filter & Carbon Filter Kit, CM/DM3000, Bulk Pack, 24pcs

Item #: [40196](#)

The RHFH1315B is a bulk pack of 24 combo packs of MERV8 pre-filter and carbon filters suitable for CM3000, CM3000i and DM3000P whole house ventilation systems.

The pre-filter will collect up to 90% particles between 3-10 microns in size such as pollen, dust, lint, dust mites, pet dander. The carbon filter will arrest household odors and smoke.

RHFH1315B includes 24 replacement MERV8 filters and 24 carbon filters.

This combo pack is also available in an individual combo pack (RHFH1315).
