

## UEV4 Soffit Vent

4" soffit vent

Item #: 411119

Plastic soffit vent to keep cold air, birds and rodents from entering your home. For use with 3", 4" or 5" ducts. The durable white plastic finish can be painted to match the siding on your home.

Draws out air from bathroom or general use rooms, helps prevent cold air from entering a home and keeps birds and rodents from nesting in an exhaust hole. Includes duct clips and 2 flappers.
