

## PBW 110 Bath Fan w/Grill

4" exterior bath fan, 4" duct grille w/o light, 100 cfm

Item #: 412256

Variant: 115V 1~ 60Hz

The PBW 110 exterior mounted wall fan is the ideal solution for areas lacking in space, or when direct venting to the outside is required.

- Airflow 100 cfm @ 0.2 Wg
- Seamless 4" duct grille adds to an aesthetic look
- Exterior mounting ensures quiet operation
- Designed to meet ASHRAE Standard 62.2
- Optional lighted models
- ENERGY STAR, cULus, and HVI certified
- UL listed for wet locations

Designed to meet ASHRAE Standard 62.2, this powerful and efficient (5.8 cfm/W) exterior mounted wall fan operates intermittently or continuously. The PBW 110 is best suited for homes, condominiums, and apartment complexes.

### In the Box

Every purchase of the PBW 110 exterior mounted fan comes with one ceiling grille and grille housing with a damper.
