MERV8 Filter kit, FIT120, Exhaust side, 2 pcs, 6.9"x11.18"

Item #: [414926](#)

Replacement filter kit features 2 cleanable synthetic filters with MERV8 rating for exhaust air. The filters will collect mold spores, pollen, cement dust, carpet fibers, debris, lint, and insects.

With normal usage, it is recommended that you vacuum clean the filter every month and replace every 3 months.

The kit includes 2 filters for exhaust air. Suitable for FIT 120H and FIT 120E.
