

2GMS1661 Guard Mounted Exh Fan

16" guard mount wall exhaust fan, 120V, 1~

Item #: 47092

Variant: 115V 1~ 60Hz

Application

Guard mounted exhaust fans are widely used for ventilating warehouses, greenhouses, workshops and other low pressure applications of up to 0.125 Ps.

Design

Steel wire intake guard complies with OSHA regulations and has four mounting loops to make installation easy, and baked-on gray polyester finish to help resist corrosion.
