

## LDVI® 4x4 Bulk Pack, 36 pcs

4" to 4" Radon couplers, bulk, 36 pcs

Item #: 95909

LDVI anti-vibration couplers help make a radon active soil depressurization (ASD) system installation quieter by providing superior vibration isolation.

- Designed specifically for Radon mitigation applications
- Low Durometer Vibration Isolation
- Ledge stops pipe from going into coupler
- Ledge prevents direct pipe-fan contact
- Superior noise vibration isolation
- Soft and flexible material

The bulk pack contains 36 anti-vibration couplers. LDVI 4x4 couplers are used with Rn1, Rn2, Rn2EC or any industry 4" fans.
