

Screw-Cover Pull Box Extender Type 1, fits 10.00x10.00, Galvanized, Steel

CATALOG NUMBER

A10104SUG

The Pull Box Extender, Type 1, is used in commercial and general industrial applications that previously required a custom sized pull box, or to create additional wiring space for existing pull box installations. It is installed by simply sliding the product on a pullbox, using a common hole pattern, cover and hardware, making it a time saving solution.

INDUSTRY STANDARDS

UL 50, 50E Listed; File No. E27525

cUL Listed per CSA C22.2 No. 40; Type 1; File No. E27525
