

Panel for Free-Stand with Mounting Channel Full-Length, fits 90x72, Galvanized, Steel

CATALOG NUMBER

A90P72F1G

Panel for Free-Stand Single- and Dual-Access Two-Door Enclosures with Mounting Channel. Panels can be positioned anywhere along horizontal mounting channels (see Sections B-B for limitations). Half-length panels can be located in the upper or lower portion of the enclosure. Some assembly is required. Center support is furnished with each full-length or half-length panel for two-door enclosures. The center support attaches to the top and bottom mounting channels and can be positioned from front to back in the enclosure. The center support can be replaced with heavy duty panel supports to support panels when heavy equipment is installed.

FEATURES

Available in Full-Length and Half-Length

Plated mounting hardware is provided
