

Latch Kit Padlock 1-Point 1-Door Type 12 Enclosure, Brushed, SS304

CATALOG NUMBER

AL36A

Designed for field installation on most standard one-door Type 12 enclosures. These latch kits will not fit HOFFMAN disconnect, Concept or ProLine enclosures. The latch rods can be adjusted to maintain the proper gasket compression by relocating the pins in the rod guides. When the pin is removed, the latch rod can also be removed. All openings through the door are gasketed to assure a complete seal. Ends of latch rods have rollers for easier door closing.

FEATURES

Each kit includes a handle, latch, latch rods, adjustable rod guides and all hardware

These kits are available with a key locking handle, a non-locking handle or a padlocking handle

Two keys are furnished with keylocking handles
