Terminal Strap Support Kit, 1.50 in, White, Steel

CATALOG NUMBER

ATZ

Designed to provide a simple and versatile method of mounting terminal straps. The Z-shaped brackets are 1.50-in. (38-mm) high. Brackets can be attached to panels or to enclosure walls. A terminal strap is then installed on the brackets. Terminal straps must be ordered separately. Spacing between brackets will depend on the number and size of terminal blocks installed on the terminal strap. We recommend a maximum spacing of 15 in. (381 mm) for an average installation.

FEATURES

Each Kit has two brackets and hardware

Terminal straps are not included

PRODUCT ATTRIBUTES

Article Number: 25110

Material: Mild Steel

Finish: Powder Coated

Color: White

Thickness: 11ga

Weight: 0.2lb
