

Power Cord for PaneLite Enclosure Light, Fluorescent, 72 inch, Black

CATALOG NUMBER

LF120VCORD

Power Cord for PaneLite Enclosure Light connects lights to a standard North American wall socket. LF120VCORD is for Fluorescent Light (up to five lights can be daisy chained together using one power cord). LED24VCORD is for 24VDC LED light and includes a transformer to convert 100-240 VAC power supply (capable of powering only one LED light).

FEATURES

Plugs directly into a connection socket on switch end of the light

Power Cord is optional as terminal blocks are provided with each light for hard-wired connection
