

External Frame Floor Mounting Bracket Kit, Steel, Galvanized

CATALOG NUMBER

P2AFMKE

The External Frame Floor Mounting Bracket Kit provides a convenient method to secure the enclosure to the floor. The jogged brackets mount between the base and the base securing bolts, and extend just beyond the edge of the enclosure.

FEATURES

The brackets are constructed from 12-gauge (2.5 mm) galvanized steel.

Mount between the base and the base securing bolts, and extend just beyond the edge of the enclosure

Compatible with all ProLine enclosures with either a solid, 0-mm base or gland plate
