

ProLine G2 Wall Bracket Kit

CATALOG NUMBER

P2AWB

The ProLine G2 Wall Bracket secures the top of an enclosure to a fixed surface such as a wall, and protects against enclosure tipping. The kit comes with a single pair of brackets and mounting hardware to affix brackets to the enclosure. The kit secures both the top and bottom of an enclosure to a fixed surface such as a wall. The same brackets are used in both the Anti-Tip and Wall Bracket kits.
