We connect and protect

ProLine 200-mm Plinth Base, fits 1600x800mm, Black, Steel

Catalog Number

PPB2168

- Plinth Bases install under an enclosure to provide space for cables to enter from below. A Plinth Base consists of eight corner supports connected to four access panels. The corner supports are cast aluminum. The access panels attach to the corner supports with screws. Plinth Bases include all necessary mounting hardware. Order a gland plate system to provide Type 12 protection when using a plinth base.
