

FAMTRJMPB6

By Hubbell Premise Wiring

Catalog # [FAMTRJMPB6](#)

Fiber Adapter, OPTI channel Adapter, MT-RJ, Clip-Mount, Beige

Features

- OPTI channel Adapter
- MT-RJ
- Clip-Mount
- Beige

Application

Data Outlet

Specifications

|                      |                                                                                                                          |
|----------------------|--------------------------------------------------------------------------------------------------------------------------|
| Industry Standard(s) | <ul style="list-style-type: none"><li>• Telcordia GR-326-CORE</li><li>• TIA-568-C.3</li><li>• TIA-604 FOCIS-12</li></ul> |
| EU RoHS Indicator    | Yes                                                                                                                      |

Conductor

|            |                         |
|------------|-------------------------|
| Fiber Size | 125 Micron              |
| Fiber Type | Singlemode or Multimode |

Current

|                |            |
|----------------|------------|
| Insertion Loss | 0.75 dB    |
| Return Loss    | 26         |
| Connectivity   | Receptacle |

General

|                              |                                                                                                                                        |
|------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| Specifications               | <ul style="list-style-type: none"><li>• Mount Type - Snap Mount</li><li>• Recommended Cut-Out - 0.525" x 0.390" (SC simplex)</li></ul> |
| Color                        | Beige                                                                                                                                  |
