|------------------------------------|-----------|
| EU RoHS Indicator                  | Yes       |
| Standards - RoHS Compliance Status | CM        |
| Industry Standard(s)               | UL Listed |

### Current

|                   |                     |
|-------------------|---------------------|
| Withstand Voltage | 1000V RMS, 1414V DC |
| Connectivity      | Plug-N-Play         |

|                    |         |
|--------------------|---------|
| Contact Resistance | 100 Ohm |
|--------------------|---------|

### General

|                                   |                        |
|-----------------------------------|------------------------|
| OEM Brand Name                    | Hubbell Premise Wiring |
| Style                             | USB                    |
| Material - Mounting Hardware Type | Snap-On- Snap-Fit      |
| UPC                               | Data<br>662620289168   |

### Logistics

|                 |    |
|-----------------|----|
| Carton Quantity | 25 |
|-----------------|----|

### Operational

|                    |         |
|--------------------|---------|
| Temperature Rating | Per TIA |
|--------------------|---------|
