Product Images

Short Description

HUGHES

Justrite Safety Group

Key Benefits

- Portable design with concealed wall mounting bracket to make moving and relocating easy
- Controlled 1.5 LPM (0.4GPM) flow of water for 15 minutes
- Simple to use with pull-down activation handle
- Meets ANSI Z358.1 and EN15154 requirements

Description

The Hughes portable, self-contained 10-gallon gravity-fed eyewash station is suitable wherever continuous water isn't available—no plumbing needed. The gravity-fed eyewash supplies a continuous, controlled flow that exceeds the ANSI Z358.1 standard of 1.5 LPM (0.4 GPM) for 15 minutes, providing a reliable safety solution no matter where you are located. Concealed mounting bracket make moving and relocating easy. High-visibility color is easy to identify in emergency situations. Simple to use with pull-down activation handle. Easy to maintain—wide fill opening enables quick inspection, cleaning and filling.

Specifications
