

## Drum Cover With Fusible Link for 30 Gallon Drum, Self-Close, Steel, Red - 26730

### Product Images

---

### Short Description

---

- Convert open-top steel drums into handy receptacles
- Spring-loaded cover slams shut in case of fire
- Durable steel construction with powder-coat finish
- Excellent chemical resistance

## Description

---

**Self-closing Drum Cover** turns a drum into a fire-safe receptacle for combustible waste. Simply use a screwdriver and wrench to attach the cover to a drum. For added safety, a replaceable fusible-link assembly melts at 165°F (74°C) to automatically allow spring-loaded cover to slam shut if there is a fire in the drum. Durable steel construction with powder-coat finish provides excellent chemical resistance.

30-gallon (110L) cover will fit drums nominally 18-3/8" (467 mm) diameter.

## Specifications

---

Model No	26730
UPC	697841009790
International Model No.	26730
FM Approval	Yes
TUV Approval	Yes
Color	Red
