

# Drum Cover With Fusible Link for 55 Gallon Drum, Self-Close, Steel, Red - 26750

## Product Images

---

## Short Description

---

- Turn ordinary drums into fire-safe waste collection centers
- Spring-loaded cover slams shut in case of fire
- Durable steel construction with powder-coat finish
- Excellent chemical resistance

## Description

---

**Self-closing Drum Cover** turns a drum into a fire-safe receptacle for combustible waste. Simply use a screwdriver and wrench to attach the cover to a drum. For added safety, a replaceable fusible-link assembly melts at 165°F (74°C) to automatically allow spring-loaded cover to slam shut if there is a fire in the drum. Durable steel construction with powder-coat finish provides excellent chemical resistance. Ideal for the aircraft, furniture, and printing industries or anywhere solvent-soaked cloths are used.

55-gallon (200L) cover will fit drums nominally 22-1/2 to 22-3/4" (467 mm) diameter.

## Specifications

---

Model No	26750
UPC	697841009813
Badge	Best Seller
International Model No.	26750
Pallet Quantity	20
FM Approval	Yes
