

Drum Cover With Vent and Gasket for 55 Gallon Drum, Self-Latching, Steel, Red - 26753

Product Images

Short Description

- Turn ordinary drums into fire-safe hazardous waste collection centers
- Control vapors to comply with EPA/NESAM requirements
- Gasketed, spring-loaded self-latching lid with gravity close seals drum
- Durable steel construction with powder-coat finish

- Excellent chemical resistance

Description

Model No 26753 complies with NESAM (National Emissions Standard for Aerospace Manufacturing) by offering a gasketed, spring-loaded self-latching and vented lid with rotary latch mechanism to seal the drum, thereby preventing vapor release. It automatically closes via gravity when released and then automatically latches, preventing the drum from being left open by mistake. This eliminates the chance for oxygen to enter and start a fire.

Durable steel construction with powder-coat finish provides excellent chemical resistance. Ideal for the aircraft, furniture, and printing industries or anywhere solvent-soaked cloths are used.

Specifications

Model No	26753
UPC	697841108837
International Model No.	26753
Pallet Quantity	20
FM Approval	Yes
EPA Compliance	Yes
OSHA Compliance	Yes
NESAM Compliance	Yes
Color	Red
Material Specifications	Steel
	660mm W x 102mm D
Capacity	55 gallon
Liter Capacity	208
Net Weight, lbs	11.3
Net Weight, kg	5.1
