

Aerosolv® 7363 Replacement Colometric Carbon Filter Cartridge, 2 Pack - 28223

Product Images

Short Description

Key Benefits

- Activated color- changing combination Coalescing/Carbon cartridge filter replacement
- Fits Aerosolv 5000C or 7000 Super aerosol can recycling systems
- Two-piece filter captures odors and potentially harmful VOCs
- Two pack

Description

Replaces the Carbon Cartridge portion of the Aerosolv® two-piece coalescing filter/carbon cartridge in your Aerosolv® Standard or Super System. Colorimetric replacement cartridges indicate exactly when to change the cartridge with no guesswork.
