

Replacement 1" Valve and Pull Handle Kit for Hughes Safety Showers - SHOWERVALVE-KIT

Product Images

Short Description

HUGHES

Justrite Safety Group

- High-performance quarter-turn ball valve made of 316L stainless steel endure the harshest environments and site conditions— low operating torque offers reliable, easy on/off operation
- Durable, coated stainless steel pull handle with nylon valve connection is easy to grip and activate for immediate water drenching

Description

This retrofit kit fits most top mounted safety shower valves with 1-inch NPT connections. Features a specially designed valve that includes an integral, heavy-duty stainless steel stop-plate to handle rough operation without failure.
