

# GUFS-2 - 180° 3/4", Swivel Elbow

By Killark  
Catalog # [GUFS-2](#)

180° 3/4", Swivel Elbow

## Features

- Threaded for rigid conduit or IMC
- Smooth integral bushings to prevent damage to wires

## Application

Allows conduit to be joined at angles ranging between 90° and 180°. A screwdriver is the only tool needed.

## Specifications

|                          |                                                                                                                                                                                              |
