

# TET "Top Entry T" Fitting

By Killark  
Catalog # [TET2-150150M](#)

Top Entry T Conduit Fitting For Stanchion Walkway Applications

## Features

- Provides safe access for pulling and maintaining electrical conductors
- Upturned face ensures unobstructed entry to the wiring chamber for ongoing maintenance
- Standard 3/4" side hubs eliminate the necessity for reducers
- Optional breather drain available
- Chamfered stanchion hub designed for smooth wire guidance
- 45-degree angled opening for easy access to the wire chamber
- Compliant with Type 4 and 4X protection ratings

- Offered in galvanized steel, anodized aluminum, and 316 stainless steel options
