

Universal Combination Pliers, 8-Inch

These Klein Tools Universal Combination Pliers have a crimping die behind the hinge for better leverage of non-insulated connectors, lugs, and terminals. They also have tons of grip from the toothed pipe grip, and a high-leverage design, with the rivet closer to the cutting edge for 40% greater cutting and gripping power than other pliers designs. The handform handles are tempered to help absorb the snap from cutting and they are dipped for comfort.

Specifications

Type:	Universal	Overall Length (Inch):	8.61
Overall Length (cm):	21.9	Nose Type:	Universal
Jaw Length (Inch):	1.78	Jaw Length (cm):	4.5
