IP65

Description

These are three-point internal micrometers that offer you the following benefits:
- Interchangeable head set.
- Titanium-coated measuring pins give you excellent durability and impact resistance.
- They also have excellent resistance against water and dust (IP65 protection level), allowing you to use this product in machining situations that include splashing coolant fluid.
- Large LCD display with character height of 7.5 mm enables you to read measurements easily.
- With setting rings and extensions.
