

Gauge Block Set, Metric, Ins. Cert., ISO

Item number: 516-106-10

Images

Description

A Mitutoyo outside micrometer test set comprising ten gauge blocks for testing accuracy throughout measuring stroke and an optical parallel for testing contact face flatness and parallelism.

Features

Inch-Metric:	Metric
Type of Certificate:	Inspection certificate
Delivered:	In a wooden case with certificate of inspection (Gauge Blocks only)
Accuracy:	EN ISO 3650
Grade:	0
Material:	Steel
Calibration/Standard applications:	EN ISO 3611 DIN 863 (1999) VDI/VDE/DGQ 2618
Set configuration:	2,5, 5,1, 7,7, 10,3, 12,9, 15, 17,6, 20,2, 22,8, 25 mm, Optical parallel (t = 12 mm)
Mass:	1000 g
