

Granite Surface Plate Grade 0, BS 817

Item number: 517-905-0

Images

Description

A Mitutoyo surface plate made from fine-grained black granite. This material has many advantages compared to cast iron in this application, such as being non-magnetic, rustless, twice as hard, non-burr-forming and not prone to stickiness.

Features

Dimensions L x W x H:	600 x 450 x 75 mm
Delivered:	In a wooden box without stand
Accuracy:	BS 817 Grade 0
