

Vernier Caliper, Long Jaw, Fine Adjust.

Item number: 534-104

Images

Description

These vernier calipers with long jaws come with or without fine adjustment and let you measure hard-to-reach features.

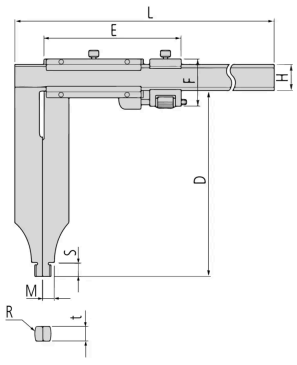

They offer you the following benefits:

- Long jaws enable you to measure hard-to-reach workpiece features.
- The top offset vernier scale allows you to directly read the inside dimensions without having to add the jaw blade width.
