

# Gauge Block, Metric, with JCSS Cert.

Item number: 611682-026

## Images

## Description

This Grade 0 Gauge Block with JCSS Certificate offers you the following benefits:

- Outstanding dimensional stability: Mitutoyo steel gauge blocks are made exclusively from artificially aged material.
- High gauge reliability: The gauge blocks can be used as a standard for a long time due to their high dimensional stability.
- The maximum permitted length changes to gauge blocks over a year are defined in EN ISO 3650. Mitutoyo high-quality gauge blocks easily meet these and all other requirements.
- Steel gauge blocks are excellent for use as a standard because of the low measurement uncertainty that can be achieved when using them.
- Mitutoyo steel gauge blocks have top-quality surfaces, guaranteeing high wringing force.

## Features

<b>Inch-Metric:</b>	Metric
<b>Length [mm]:</b>	200
<b>Type of Certificate:</b>	JCSS certificate
<b>Delivered:</b>	In a foamed material with JCSS calibration certificate
<b>Accuracy:</b>	EN ISO 3650
<b>Grade:</b>	0
<b>Material:</b>	Steel
