

*Product Benefits*

**Hand Pulled** – No heavy equipment needed as the infield drag is easily hand pulled with a unique adjustable scarifying blade that breaks up hard packed surfaces.

**Grooms the Infield Surfaces** – The attached drag mat grooms the infield surface to a “Ready to Play” condition.

**Reversible Blade** – The Reversible planner blade has smooth and serrated edge.

**Heavy-Duty Construction** – The matt is 3/4 inches thick, corded, reinforced rubber. 11 gauge lead bar and planner blade.

**Made in the USA**
