

3' x 10', Brown, Aqua-Trap® Moisture and Scrape Entrance Mat, 150

Product Images

Short Description

- Molded dome pattern facilitates scraping and drying, retaining moisture and debris within its patented Aqua-Dam™ border
- Raised rubber border retains moisture and debris
- Carpet-to-edge (CTE™) construction to blend with its surroundings
- Anti-Microbial carpet treatment stops odor causing bacteria and germs
- 20 ounces of tufted yarn per square yard

Description

Aqua-Trap® is a unique yet highly functional indoor/outdoor entrance mat with a molded dome pattern that facilitates the scraping and drying process while a patented raised “Aqua Dam™” border forms a perimeter on all four sides of the mat retains moisture and debris. Aqua-Trap® features an antimicrobial carpet treatment that stops odor causing bacteria and germs at the entrance. An extremely durable rubber backed mat, Aqua-Trap® has a highly fashionable look that features carpet-to-the-edge (CTE™) to blend with its surroundings and contemporary color choices to match any décor.
