Description

Orientrax® combines the classic look of an area rug with the function and durability of a high performance entrance mat. 24 ounces of twisted nylon fiber per square yard provides superior moisture absorption and retention, while a heavyweight non-slip backing ensures minimal mat movement. A dye-injection process that infuses dye directly into the yarn strand ensures that the vibrant color designs won't fade. Orientrax® is a step above traditional single color water absorbing door mat adding aesthetic appeal to any doorway.
