Description

Safety Message mats make your safety message loud and clear while keeping facilities cleaner and safer. Pre-printed message mats warn employees who may be entering a hazardous area, may need special ear or eye protection, or just act as a reminder to think and act safely in work environments. Pre-printed message mats offer functionality as an entrance mat cleaning dirt and moisture from shoes, keeping facilities cleaner and safer. Safety Message Mats should be used indoors at plant and employee entrances, lobbies, foyers, or any other light to heavy traffic areas where your safety message should be seen. Select messages are also available in Spanish.
