- Designed for use in large format/high traffic entrances
- All-weather indoor/outdoor mat with a non-skid backing
- 54 ounces of needle punch yarn per square yard
- Water jet cut textile logo inlay
- 100% solution dyed UV stabilized polypropylene fibers
- Berber design carpet surface
- Heavy-duty vinyl edging reduces trip hazards and keep mat flat and in position

Description

Master Guard™ Logo is the ultimate heavy-duty indoor/outdoor logo mat. With 54 ounces of needle-punch yarn per square yard and a stylish berber carpet surface, Master Guard™ Logo promotes your brand or message in the heaviest traffic areas. An all-weather non-skid backing, and UV stable polypropylene fibers allow for use outdoors, and high profile vinyl edging is available to reduce trip hazards
