

2' x Custom Length, Black-Yellow, Diamond-Tuff™ Max Beveled Edge Anti Fatigue Mat, 510

Product Images

Short Description

- Durable diamond pattern vinyl laminate top surface for added traction
- Dense closed cell PVC foam base provides added cushioning comfort
- Beveled edges on all 4 sides

Description

Diamond-Tuff™ Max is a durable anti-fatigue/anti-slip mat with a vinyl diamond plate top surface that provides sure footing and a full 1" thick foam base to provide the ultimate relief for leg and back discomfort in work applications where standing occurs for long periods of time. Diamond-Tuff™ Max is available in both workstation sizes and full rolls for applications that require a longer mat such as assembly lines. The non-directional diamond plate top surface is easy to sweep or damp mop clean. The sloped beveled edges reduce tripping hazards and allow easy access on and off the mat.

Specifications

Model No	510C0024YB
Color	Black/Yellow
Dimensions	2ft x Specify Length
Thickness	1in
UPC	662641819009
Brand	NoTrax
Available Colors	Black; Black/Yellow
Overall Thickness	1
Roll Sizes	2'x 75'; 3'x 75'; 4'x 75'; 5'x 75'
