

5' x 75', Black, Diamond-Tuff™ Max Beveled Edge Anti Fatigue Mat, 510

Product Images

Short Description

- Durable diamond pattern vinyl laminate top surface for added traction
- Dense closed cell PVC foam base provides added cushioning comfort
- Beveled edges on all 4 sides

Description

Diamond-Tuff™ Max is a durable anti-fatigue/anti-slip mat with a vinyl diamond plate top surface that provides sure footing and a full 1" thick foam base to provide the ultimate relief for leg and back discomfort in work applications where standing occurs for long periods of time. Diamond-Tuff™ Max is available in both workstation sizes and full rolls for applications that require a longer mat such as assembly lines. The non-directional diamond plate top surface is easy to sweep or damp mop clean. The sloped beveled edges reduce tripping hazards and allow easy access on and off the mat.

Specifications

Model No	510R0060BL
Color	Black
Dimensions	5ft x 75ft
Thickness	1in
UPC	662641867307
Brand	NoTrax
Roll Sizes	2'x75', 3'x75', 4'x75', 5'x75'
Standard sizes	2'x3', 3'x5', 3'x12'
Group	Ergonomic, Anti-fatigue & Safety Matting
Environment	Dry Areas
Recommended Use	For placement in manufacturing plants, assembly lines, picking, packing and logistics warehouses, individual work stations.
Special Remarks	The Diamond-Tuff™ series comes in 9/16" and a full 1" versions and allow you to select your level of comfort.
Edges	Beveled edges on all sides
Usage Intensity	Medium duty
Installation	No installation required
Material Specifications	PVC on microcellular vinyl base
Surface Detail	Industrial Diamond Plate
Backing	Closed Cell Polyvinylchloride
Process	Lamination
Weight Lbs/sqft	1.5
Thickness Inch	1in
Fire Rating US	Pass
REACH Compliant	Reach compliant (Registration, Evaluation, Authorization and Restriction of Chemicals).
Anti-Fatigue Rating	Better

Slip Resistance Rating	Best
Wear Resistance Rating	Better
