

3' x 5', Black-Yellow, Diamond-Tuff™ Max Beveled Edge Anti Fatigue Mat, 510

Product Images

Short Description

- Durable diamond pattern vinyl laminate top surface for added traction
- Dense closed cell PVC foam base provides added cushioning comfort
- Beveled edges on all 4 sides

Description

Diamond-Tuff™ Max is a durable anti-fatigue/anti-slip mat with a vinyl diamond plate top surface that provides sure footing and a full 1" thick foam base to provide the ultimate relief for leg and back discomfort in work applications where standing occurs for long periods of time. Diamond-Tuff™ Max is available in both workstation sizes and full rolls for applications that require a longer mat such as assembly lines. The non-directional diamond plate top surface is easy to sweep or damp mop clean. The sloped beveled edges reduce tripping hazards and allow easy access on and off the mat.

Specifications

Model No	510S0035YB
Color	Black/Yellow
Dimensions	3ft x 5ft
Thickness	1in
UPC	662641818767
Roll Sizes	2'x75', 3'x75', 4'x75', 5'x75'
Standard sizes	2'x3', 3'x5', 3'x12'
Group	Ergonomic, Anti-fatigue & Safety Matting
Environment	Dry Areas
Recommended Use	For placement in manufacturing plants, assembly lines, picking, packing and logistics warehouses, individual work stations.
Special Remarks	The Diamond-Tuff™ series comes in 9/16" and a full 1" versions and allow you to select your level of comfort.
Surface	Industrial Diamond Plate
Edges	Beveled edges on all sides
Usage Intensity	Medium duty
Installation	No installation required
Material Specifications	PVC on microcellular vinyl base
Backing	Closed Cell Polyvinylchloride
Process	Lamination
Weight Lbs/sqft	1.5
Thickness Inch	1in
Fire Rating US	Pass
REACH Compliant	Reach compliant (Registration, Evaluation, Authorization and Restriction of Chemicals).
Anti-Fatigue Rating	Better
Slip Resistance Rating	Best

Wear Resistance Rating

Better
