- Large drainage holes remove liquid and debris from worker platform
- Ultra lightweight for easy moving
- Black is General Purpose Rubber Red is Grease Resistant Rubber
- Molded in short beveled edge on all 4 sides
- 1 year warranty

Description

Drain Lite™ is a cost effective all-purpose anti-fatigue mat with molded-in beveled edges for a more workstation oriented environment. Drain Lite™ has a lightweight design making it perfect for applications where the mat is routinely moved for cleaning. These anti fatigue mats with drainage holes system facilitates the removal of liquids and debris from work areas and the molded-in beveled edges reduce trip hazards, allowing for easy access onto and off of the mat.

Specifications

Model No	619
