
2" x 60', Black, Safety Trax® Slip Resistant Padding, 680

Product Images

Short Description

- Slip resistant pads are affixed to surfaces to increase friction providing a safer pathway
- Top surface is embedded with silicon carbide particles
- Pressure adhesive backing allows for easy "peel and stick" installation

Description

Safety Trax® are slip resistant pads that can be affixed to surfaces to increase friction and provide a safer pathway. The top surface is embedded with silicon carbide particles for aggressive traction especially in areas where there are inclines or ramped walkways. Pressure adhesive backing allows for easy “peel and stick” installation. Recommended for ramps, inclines, walkways, stair treads, trailers, shipdecks. Apply only to clean, dry surfaces.

Specifications

Model No	680S0260BL
Color	Black
Dimensions	2in x 720in
UPC	662641648524
Brand	NoTrax
Available Colors	Black; Black/Yellow; Brass
Roll Sizes	2"x60', 4"x60', 6"x60'
Group	Ergonomic, Anti-fatigue & Safety Matting
Special Remarks	Be certain that primary surface area is completely dry and clean before applying the "peel & stick" backing.
Pallet Quantity	384
Weight Lbs/sqft	0.15
REACH Compliant	Reach compliant (Registration, Evaluation, Authorization and Restriction of Chemicals).
