

2' x Custom Length, Black, Niru® Versa Runner™ Floor Protector Mat, 755

Product Images

Short Description

- Made from a durable grease-proof 100% nitrile rubber compound
- Slotted perforations for drainage
- Ribbed underside adds anti-fatigue value and channels liquid away from the mat
- Low profile allows for easy on/off cart traffic

Description

Niru® Versa Runner™ is made from a 100% Nitrile rubber compound designed to withstand harsh chemicals, greases, oils, and animal fats while creating a slip resistant work surface. Slotted perforations allow for drainage and a scraper-rib design runs side-to-side on the mat for added traction. The ribbed underside enhances the anti-fatigue value of the mat and also helps to channel liquid away from the work area. Its low profile allows for use in areas with high cart traffic. Niru® Versa Runner™ is perfect for wet or dry applications that require traction and drainage in a continuous mat.

Specifications

Model No	755C0024BL
Color	Black
Dimensions	2ft x Specify Length
Thickness	3/8in
UPC	662641649606
Brand	NoTrax
Available Colors	Black; Gray; Orange; Red; White
Roll Sizes	2'x60', 3'x60', 4'x60'
Custom Lengths	2', 3' and 4' widths (up to 60' long)
Standard sizes	2'x3', 3'x4'
Group	Ergonomic, Anti-fatigue & Safety Matting
Environment	Wet/Dry and Oily Areas
Recommended Use	Restaurant kitchens, food prep, food processing environments
Special Remarks	Provides traction, resistance to harsh chemicals, oils, and greases, and basic anti-fatigue support in a longer run. Reversible design further extends the service life of the mat.
Material Specifications	NBR (nitrile) rubber
Surface Detail	Industrial Bubble Pattern
Process	Molding
Weight Lbs/sqft	1.5
Thickness Inch	3/8in
Fire Rating US	Pass
REACH Compliant	Reach compliant (Registration, Evaluation, Authorization and Restriction of Chemicals).
Anti-Fatigue Rating	Good
Slip Resistance Rating	Best
